## EPSILON SIGMA OMICRON (ESO) SORORITY

ESO is a GFWC sorority formed for self-enrichment and Alpha Theta is Virginia's chapter. ESO is your incentive to place reading high on your list of priorities. The GFWC ESO READING LIST and a reading list covering contemporary topics prepared by the Virginia State Library will be available to ESO members. To become a member, club women must complete the following steps:

1. Become a pledge by sending $1.50 and the application below to the GFWC Virginia ESO Chairman.
2. GFWC Virginia ESO Chairman will send you the reading list and instructions.
3. Select a category and read any four books in that category. Reading is done at your own pace with no set deadline or time limitation.
4. Send a brief report on the books to the Chairman and $1.50 for the next category.
5. Select a new category, read, report and pay fee.
6. ESO will award certificates based upon the number of books read. Membership (16-39), Star (40-50), Torch (51-99), Century Award (100-199), 2nd Century (200-299), 3rd Century (>300). Once you receive a membership certificate, you pay no fee and can work toward the next levels of membership.

The fees charged are used to cover the cost of printing and mailing. Reading brings inner satisfaction, personal growth and opens new avenues of thought to meet the challenges of today. Disciplined, selective, related reading from the ESO lists fulfills our motto, "Broaden Your Mind...Read."
