

Federation Day Service Project

GFWC Virginia is excited to announce a Federation Day Service Project will be held during Convention 2010! GFWC Virginia will conduct a walk to benefit the March of Dimes.

We are excited to offer our members a hands-on service project during our Convention and hope that you will join us. The event will be held on Saturday afternoon, April 24th. We will utilize a walking path along the hotel property. It's a great way to get outside to enjoy some fresh air away from the meeting sessions, get in some exercise, enjoy fellowship with fellow clubwomen, and help make a difference to an important organization. Registration is required and donations are welcome. If you would like, you can also solicit donations from others to support your efforts. All proceeds will benefit March of Dimes and its programs throughout the Commonwealth.

March of Dimes is one of GFWC's national partners. Its mission is to improve the health of babies by preventing birth defects, premature birth, and infant mortality. March of Dimes carries out this mission through research, community services, education and advocacy to save babies' lives. March of Dimes researchers, volunteers, educators, outreach workers and advocates work together to give all babies a fighting chance against the threats to their health: prematurity, birth defects, and low birthweight.

Sponsorship Opportunity:

We are planning to have t-shirts for all walk participants and are accepting sponsorship donations to defray the costs of the shirts. If you are aware of a business, organization or club that would like to have their name featured on the walk t-shirt, please contact Lori Rucker (gfwcvajrslr@yahoo.com or 703-431-3435). Sponsorships begin at \$100. (Please note: If sponsorship funds do not cover the costs, t-shirts will not be provided.)
